

## HH. : A Galaxy Far, Far, Away

Join us on this journey to a galaxy far, far away and explore the world of Bethany College and yourself as a college student/ padawan learner. As members of the Bethany Jedi Academy, padawan learners will seek knowledge and practice self discipline. We will embrace Jedi philosophy and practices with the goal of transforming from padawan learners into full-fledged Jedi knights! Remember as the Jedi say, "there is no ignorance, only knowledge." (Julie Osland, Associate Professor of Psychology, and Diane Snyder, Associate Professor of Psychology, Director of Student Success Initiatives, Department Chair)
