

## ENGL 433 : The Restoration

This course examines the literature of the Restoration period of English History. With the restoration of the Stuarts, England authorized women on the stage and in the literary marketplace, and nourished the development of the early novel and experimental science. The literature strains to balance political liberty and personal libertinism with censorship and restraint, grapples with gender roles and sexual morality, and gives rise to one of the greatest periods of English comedy. Writers examined include Milton, Congreve, Wycherly, Ethridge, Behn, Centlivre, Bunyan, Pepys, Dryden, Waller, and Rochester.
