

PSYC 328 : Interpersonal Aspects of Psychotherapy and Counseling

This course is a study of the interpersonal characteristics and personality traits that are essential for successful counselors and psychotherapists. Communication skills are emphasized and practiced throughout the course. This course would be important for anyone who will be working in the helping professions, but would also be useful for anyone who is interested in improving interpersonal communication skills. Enrollment is limited to 12 students.

Credits 3.0

Prerequisites

PSYC 100 plus two additional psychology courses and at least sophomore status.
