

# INTD 111 : Introduction to Women's and Gender Studies

This course offers an introduction to Women's and Gender Studies, an interdisciplinary academic field that interrogates the meaning and consequences of gender identity from a variety of academic perspectives. It will be taught on a rotating basis with instructors from across the campus. In this course, students will be introduced to ideas regarding gender from a variety of texts and methodologies that will help students understand their world through multiple gendered lenses.
