

ACCT 470 : Professional Internship

The Professional Internship in Accounting is aimed at enriching the student's experience in practicing and using business knowledge in a professional context, either on campus or off campus, in a domestic or international setting, and in face-to-face mode or remotely. The student documents the experience in a manner to be determined by the supervisor. The course instructor determines the student's required proficiency for the experience based on the requirements of the host organization/agency. The internship may be repeated for credit for a maximum of 6 credits. Fifty hours of work is required for each 1 credit. (This course is a credit/no credit course.)
